WORDS AND MUSIC BY F. CLOUTIER

Manitoba!

A Meeting Place.

¶ ¶

My parent, a meeting place,
Crowned with splendour and grace,
United Fathers died
In the Land of The Pioneers' Pride
Sturdy virile stock,
Tough as our native rock
Battled against great odds,
While trusting in their God's.

¶ ¶

To Manitoba I impart
True love of the heart
Her reciprocating hand,
Her fertile sunny land;
Her glories one and all,
Seems to echo as a call—
A call for freedom and love,
Sponsored from above.

¶ ¶

My heart with rapture thrills,
With love for rocks and rills;
The woods and tempting hills
Echo sounds that thrills,
Carried by the breeze
Through innumerable trees,
From an outpost place—
My parent a meeting place.
